

LAUNCH OF THE CAMPAIGN OF ATLÉTICO BALEARES

My Club. My passion.

#JuntsPer75

This season, the Club will celebrate its 75th anniversary since the merger between Athletic FC and Baleares FC, which resulted in the creation of Atlético Baleares. For that reason the Board of Directors has decided to reward the loyalty to the club members and supporters, as well to new fans and take this opportunity in the course of its 75th anniversary to offer the membership card for 75,-€.

The slogan “JuntsPer75” symbolizes the connection between the past, the present and the future of our Club, associated with history, tradition and modernity up to the present, to face the future with more enthusiasm than ever. We are counting on you!

This club has grown thanks to the families and the numerous generations, who have never stopped supporting their team even in the worst moments. Now, due to the 75th anniversary of the Club, this is the moment to take a step forward together so that the club continues to grow sporty and socially.

Therefore we need you, because you are our daily motivation!
